PROVINCE OF ALBERTA

SECOND SESSION—THIRD LEGISLATURE.

WEDNESDAY, OCTOBER 7, 1914.

The Speaker took the chair at 3 o'clock.

This being the first day of the Second Session of the Third Legislature of the Province of Alberta for the despatch of business, pursuant to a Proclamation of His Honour George Hedley Vicars Bulyea, Lieutenant Governor, and the House having met, His Honour entered the House and, having taken his seat on the Throne, was pleased to open the Session by the following gracious speech:

"Mr. Speaker and Gentlemen
of the Legislative Assembly:

"It gives me great pleasure to welcome you to the Second Session of the Third Legislature of the Province of Alberta.

"The fact that the Empire of which we form a part is now in a state of War, renders the present occasion probably the most serious in the history of your Assembly, and your best efforts will be required to meet the unusual conditions consequent upon the existing state of affairs in the Empire.

"As a consequence of the War it has been considered both a duty and a privilege that troops should be raised in the Dominion of Canada for the purpose of assisting His Majesty's Government, and I feel deeply gratified that the people of Alberta have responded to this call in a larger proportion than any other Province in the Dominion of Canada.

"My Government has considered it advisable to give practical assistance in the way of supplies to the Imperial Government, and the fact that the Province of Alberta was the first Province to take this course and, up to the present time, the most liberal in proportion to population, has been to me a source of great gratification and has received widespread commendation from all parts of the Empire.

"The practical unanimity with which the Civil Service of Alberta have approved the proposals for assistance to the dependants resident in Canada of those taking part in the War has been to me a source of great pleasure, and the liberal subscription will not only be of great assistance in itself but has already, as an example to others, greatly enlarged the funds of the Canadian Patriotic Association and will be of material benefit in saving from suffering those who should be the first care of our people.

"Only absolutely essential Public Bills will be introduced at this Session, and as the Private Bills are limited in number it is hoped that at this serious time you may not be long detained from your other duties.

"The Public Accounts for the last fiscal year will be laid before you, as well as the Estimates of the amounts required for expenditure during the coming year, all prepared with due regard to economy and the requirements of the Public Service.

"GENTLEMEN OF THE LEGISLATIVE ASSEMBLY:

"I now leave you to the business of the Session, having full confidence that your deliberations will be Divinely guided to the best interests and welfare of the Province."

His Honour the Lieutenant Governor then retired from the House.

That the Legislature of Alberta in Session assembled, hereby desires to put on record its unanimous and unqualified approval of the action of the Government of Great Britain and Ireland with respect to the recent International crisis that has plunged Europe into the most sanguinary and devastating war of all history.

We desire to commend their whole hearted efforts to prevent war, and when that was no longer possible, to limit its area. But we especially desire to commend them and to loyally pledge them our support in their prompt and courageous determination when the issues passed out of the domain of argument unto the arbitrament between might and right, to do battle for the integrity of small, outraged states, and to vindicate the public law of Europe;

And further, this Legislature desires to express its solemn pride that so many of the men of Alberta have responded to the challenge to British Arms and fair play with such splendid unanimity and passionate enthusiasm, and that the women of Alberta are actively collaborating with the women of Canada in the merciful work of providing comforts for the soldiers in the field and medical aid for those wounded in the performance of their dreadful duty;

And further, this Legislature commends and ratifies the action of the Government of Alberta for its timely and appropriate gift to the British Government, and pledges its support to any subsequent contributions from the resources of the Province for the purpose of the war, as may be deemed necessary and within the power of the Province to make;

And further, that it be ordered that a copy of this resolution be duly forwarded to His Royal Highness, the Duke of Connaught, Governor General of Canada, with the humble request that the same be conveyed to His Majesty King George the Fifth, accompanied by an expression of our appreciation of the noble sentiments of His Majesty's recent message to His people overseas, an assurance of our sincere attachment to His Throne and Person, and a prayer for the early and decisive success of His arms and those of His Allies in the titanic and unprecedented struggle in which they are now engaged for the lasting peace of Europe and the continuity of democratic civilization.
